IEEE
ABOUT THE INSTITUTE

Velammal Engineering College was established in the year 1995-96 to impart quality education. It is a self-financing, non-minority institution, affiliated to Anna University, approved and accredited by the All India Council for Technical Education (AICTE). This college is accredited by both NAAC and NBA.

ABOUT THE DEPARTMENT

The Department of Information Technology was started in the year 1999 with the aim of catering to the increasing need for quality IT professionals in the nation’s march towards the digital age. This department offers B.Tech and M.Tech courses in Information Technology. Being the member of the Velammal family, the Department is committed to impart quality technical knowledge and develop the necessary skills to enable students to successfully meet real-world challenges. The department had conducted similar conferences in the recent past, besides the annual National level Technical Symposiums, Workshops and Training programs. The excellent placement records of the department add another feather to its cap.

CONFERENCE THEME

The aim of the conference is to bring together academicians and experts from industries, research institutes, government agencies to provide a forum for exchange of innovative ideas and also to envisage the future trends in various fields of information technology and communication.
