Phone : 9444212381
Mail to: nalayini@velammal.edu.in

VELAMMAL ENGINEERING COLLEGE

Ambattur Redhills Road,
Surapet, Chennai-600 066.

TWO DAYS NATIONAL LEVEL WORKSHOP

ON

IOT on Sensor enabled devices

8 & 9 Feb 2018

in association with

Computer Society of India

Organized by

Department of Information Technology

About the Institution

Velammal Engineering College was established in the year 1995-96 to impart quality education. It is a self financing non-minority institution, affiliated to Anna University, Chennai and approved by the All India Council for Technical Education (AICTE) and accredited by NBA. This college is also accredited with A+ grade by NAAC.

About the Department

The Department of Information Technology was started in the year 1999. We aim our students to be good technocrats, we also provide individual attention to make them good citizens of our nation to serve the industry and the society constructively. With Anna University curriculum, the Department places equal emphasis on theoretical and experimental Information Technology.

Vision and Mission of the Department

The department of information technology is committed to become a centre of excellence in offering quality technical education there by producing graduates who are employable and lifelong contributors in a global society through research and innovation.

To strengthen the core competence in Information Technology through Innovative teaching learning process. To Inculcate qualities of continuous learning, interpersonal skills, team work, professionalism and leadership with social responsibilities. To establish good relationship with industries, in terms of Industry-Academia interactions. To encourage faculty and students to carryout research in real time environment using cutting edge technologies

About the Workshop

The objective of this workshop is to impart working knowledge on Internet of Things to all participants and to train them at par with the requirement of the nation to become technocrats in IoT technology. This workshop aims to motivate participants to implement their innovative ideas into a prototype using embedded development boards and process the data collected from various sensors in the cloud for automation.

Registration fee

Students	: Rs.700
Staff/Researchers	: Rs. 800
Industrialists	: Rs.850

DD shall be taken in favor of "VELAMMAL ENGINEERING COLLEGE"

Important Dates

Last date for Submission :	31-01-2018
Intimation of Selection :	01-02-2018
Workshop :	08 & 09 Feb 2018

Instruction to the participants
