Ms. G. Rajeshwari, Lecturer

Organising Committee
Ms. Princy Sunil, Sr. Lecturer
Ms. Kalpams, Lecturer
Ms. B. Devikala, Lecturer
Ms. M. Sridevi, Lecturer
ABOUT THE COLLEGE

Velammal Engineering College (VEC) was founded in 1995 by the Visionary Engineer, Shri. M.V. Muthuramalingam. This college enjoys the advantage of being closer to the city. The college which belongs to Velammal Educational Trust, a registered non-minority service organization, is approved by AICTE and is affiliated to Anna University, Chennai. VEC is an ISO 9001:2000 certified institution and is also accredited both by NBA and NAAC. VEC is consistently ranked among the top fire engineering institutions in Tamilnadu and is recognized as a nodal center by reputed research organizations such as DST and DRDO. The institution is vibrant with R&D cell - TIFAC-CORE, Placement and Training Cell, E-cell, IIPC and cutting edge laboratories.

ABOUT THE DEPARTMENT

The Department with qualified staff members has been meticulously striving to meet the challenge of transforming the students into globally accepted professionals. This Department has been carving a niche for itself in conducting and attending national, international conferences, seminars and faculty development programmes. It is this involvement which has inspired the students to initiate a literary club “VELIT” in the college. It also trains the students for BEC Exam conducted by British council.

The department is well equipped with state-of-the-art laboratory to enhance the student proficiency in interview techniques, soft skills, aptitudes, communication skills and interpersonal skills. The department also offers training in French, German and Japanese in association with Pentose Technologies, Chennai for the benefit of the students.

ABOUT THE CONFERENCE

Introduction of new classroom practices and innovative approaches of planning language programmes and materials entail the challenging task of finding more efficient and more effective ways of teaching languages. The teacher has a broad spectrum of methodological options to choose from than ever before. The teachers choose methods and materials according to the needs of the learners, and the preferences and the constraints of their institution or educational setting. In spite of technology playing a dominant role in English Language Teaching (ELT) in the contemporary society, the need for developing the four basic language skills in ELT classrooms still lingers. This conference focuses its attention on the most useful practical aspects of Communicative Language Teaching at various levels. Both the teachers and the researchers will find this conference useful with an insight into the deeper understanding of the various issues involved in teaching English. Let us get together to identify, appreciate and comprehend the nuances of English Language Teaching.

THEMES

- Technology for Language Teachers
- English for Employability
- Tips and Tools for Teaching Grammar
- Creating ELT Materials and Games
- Creative Ideas for Teaching Writing
- Socio-lingual Approach to English Learning
- Computer Assisted Language Learning (CALL)
- English for Specific Purposes (ESP)
- Literature in English Language Teaching
- Technical Writing

CALL FOR PAPERS

Authors are requested to send the full length papers both in hard and soft copy. The abstract and the full length paper have to be submitted by E-Mail, preferably as an attachment file (word Document). Acceptance will be informed through E-Mail after peer review. The full length paper should be a maximum of 8 pages in the following format.

Margins: 1” on all sides
Font: Times New Roman 10
Title: Bold 14
Subheadings: Bold 12
Single line spacing, Double column

The papers shall be sent through E-Mail followed by the soft copy through post/courier along with the hard copy.

IMPORTANT DATES

Submission of Abstract: 23 April 2010
Intimation of Acceptance: 26 April 2010
Submission of Full Paper: 30 April 2010
