ABOUT THE INSTITUTE

Velammal Engineering College was established during 1995-1996. It is accredited by NBA and NAAC. It offers 9 UG, 7 PG and several research programmes leading to Ph.D. degrees. VEC has several centers of excellence and Research laboratories. The college has signed MoU with research organizations and industries in order to promote closer interaction with other institutions in the areas of technology development, training of students, curriculum updation and development of state-of-art centers. The College has well-equipped laboratories for all branches of engineering and also has close interactions with the leading Industries and IT firms for students training and project works. Due to the excellent academic climate in the campus, UG and PG students of our college enjoy good campus placement prospects.

ABOUT THE DEPARTMENT

The B.E Electronics and Communication Engineering program was started during the academic year 1995-1996. The M.E Applied Electronics program is also being conducted by our department. The Department has stable and experienced staff members. The Department has well-equipped laboratories with modern amenities like Wi-Fi connectivity. This Department is fully accommodated with modern Hardware components and Software accessibility to cater to the academic needs of students and staff. The entire campus is connected through sophisticated Internet facilities to support academic and research work.

The Faculty members are actively engaged in research activities in the areas like Wireless Sensor Networks (WSN), Signal and Image Processing, Embedded and VLSI system Design technologies. To inculcate the research habit among Students and Faculty members more seminars, symposium and workshops have been conducted in latest topics on regular basis.
