ABOUT THE INSTITUTION

The Velammal Educational Trust is a registered non-minority service organization established in the year 1986 by Thiru.M.V. Muthuramalingam to inculcate among the youth a sense of discipline which is important to mould them into useful and capable citizens. The watch words of the Trust are "Dedication, Determination and Distinction".

Velammal Engineering College was established in the year 1995-96 to impart quality education. It is a self financing non-minority institution, affiliated to Anna University and approved by All India Council for Technical Education(AICTE) and received ISO certification and NBA Accreditation.

ABOUT CSI

The seed for the Computer Society of India (CSI) was first shown in the year 1965 with a handful of IT enthusiasts who were a computer user group and felt the need to organize their activities. They also wanted to share their knowledge and exchange ideas on what they felt were a fast emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India. The purposes of the society are scientifically and educationally directed towards the advancement of the theory and practice of computer science and IT. The organization has grown to an enviable size of 100,000 strong members consisting of professionals with varied backgrounds including Software Developers, Scientists, Academicians, Project Managers, CIO’s, CTO’s & IT vendors to just name a few. It has spread its branches all over the country. Currently having more than 500 student branches and rooted firmly at 73 different locations, CSI has plans of opening many more chapters & activity centers in smaller towns and cities of the country. The idea is to spread the knowledge, and provide opportunities to as many interested as possible.
