ABOUT THE INSTITUTE

Velammal Engineering College (VEC), affiliated to Anna University, is the flagship institution of the Velammal Educational Trust catering to higher education in the field of Engineering Technology & Management. Founded in the year 1995 – 96, VEC offers 9 B E / B Tech degree courses and 3 PG different disciplines. VEC is accredited by NBA, NAAC, and is ISO 9000 certified. The college is consistently placed academically among the top creamy layer of engineering colleges at the state level and is a preferred recruitment source for many top notch corporates. With the Vision of Mr M V Muthuramalingam, our Founder - Chairman and a Civil Engineer himself and with the farsightedness and dynamism of our CEO Mr M V M Velmurugan, VEC is spreading its wings wide and high to greater zeniths

ABOUT THE DEPARTMENT

The Department of Civil Engineering, functioning in Velammal Engineering College since the academic year 2007 – 08, is successfully sending off its 9 batch of BE Civil Engineering Graduates, coming April 2019. Starting with a Gold Medal from Anna University for the state level University Rankings right in the very first batch, our students have been bagging a handful of Anna University Rankings every year.

The department is reinforced with 16 faculty members amongst whom, 4 are doctorates, 3 are Pursuing Ph.D and 9 with Master's in Engineering. The department is fully equipped with state of the art of laboratories and department library. The department's focus is on imparting knowledge

and grooming the personality of students. The department is striving for excellence in all aspects of academic and research activities.
