

ABOUT THE INSTITUTION

Velammal Engineering College (VEC) was established during 1995-1996. It is situated in calm and serene surroundings on the Ambattur - Redhills road. Today, it maintains the status of being one among the top Engineering Colleges in Tamil Nadu. VEC is approved by AICTE and affiliated to Anna University. It offers 8 UG, 8 PG and several research programmes leading to Ph.D degrees. All UG Engineering courses are accredited by both NAAC & NBA and ISO 9001:2000 certified. VEC has several centers of excellence and R&D projects worth several crores sponsored by AICTE, DRDO, CSIR & TIFAC are undertaken. VEC has also framed a Vibrant Training and Placement cell which has close linkages with industries.

ABOUT THE DEPARTMENT

The Electronics & Communication Engineering department was started during the academic year 1995-1996. The Department offers B.E (Electronics & Communication Engineering) and M.E.(Applied Electronics) courses. The B.E ECE programme has been accredited by NBA. The department is equipped with excellent infrastructure & dedicated faculty to explore the technological challenges in the areas of Communication, Networking, Signal Processing, Advanced Image Processing, Embedded and VLSI technologies. R&D Projects worth Rs.28 Lakhs funded by DRDO and AICTE were completed through eminent faculty. Student Chapters like IETE, ISTE etc. have also been formed to encourage the students to interact with the outside technical fraternity to keep them updated about the ongoing technical innovations. The department is consistently maintaining excellent of Academics & Placements.

ABOUT THE CONFERENCE

NCCESP'17 aims to provide a ideal platform for researchers, academicians, industry experts, students and young professionals to present their research papers, to share their technical knowledge and to interact with renowned researchers. The conference explores emerging trends, recent technologies, innovative ideas and concepts in the areas of communication, VLSI, signal processing and Embedded Systems.

INSTRUCTIONS TO AUTHORS

Original contributions of ongoing research and unpublished research works / outcomes are expected from Authors. Prospective Author(s) are required to prepare their research papers in the IEEE format and send the paper through mail to nccesp17@gmail.com. The papers should not exceed six pages including figures, tables, results and references.

- Papers will be reviewed by the Experts and will be selected based on novelty and technical content.
