ABOUT THE INSTITUTE

Velammal Engineering College was established in the year 1995-96 to impart quality education. It is a self financing non-minority institution, affiliated to Anna University approved and accredited by the All India Council for Technical Education (AICTE). This college is also accredited by both NBA and NAAC.

ABOUT THE DEPARTMENT

The Department of Information Technology was started in the year 1999, with the aim of catering to the increasing need for quality IT professionals in the nation’s march towards the digital age. This Department offers B.Tech and M.Tech courses in Information Technology. Being the member of The Velammal Family, the department is committed to impart quality technical knowledge and develop the necessary skills to enable students to successfully meet real world challenges. The Department had conducted similar workshops in the recent past, besides the annual National Level Technical Symposia, conferences and training programmes. The excellent placement records of the department add another feather to its cap.

SCOPE OF WORKSHOP

The scope of this workshop is to provide a forum for identifying important contributions and opportunities for research in networks and systematic study of how to apply different techniques against active attacks to develop practical applications. On the whole, the workshop event will be very useful for the faculty of Computer Science and Information Technology to initiate, continue or even to complete their research work, projects. This program will also serve as a platform for interaction among the faculty community with an area of interest in the field of Engineering Research. Experts from various Universities will lead the session.
