Organizational chart and processes

<p>Nature and Extent of involvement of Faculty and students in academic affairs/improvements</p>	<ul style="list-style-type: none"> • An Academic audit committee is constituted and the academic activities are well planned, monitored and the feedback is obtained from students. The academic activities for each semester is planned well in advance and an academic calendar and activity planner is prepared and shared among the students and the faculty members. The class student suggestions are obtained by the regular conduct of class committee meetings, mentor counseling, and feedback process.
<p>Mechanism/ Norms and Procedure for democratic/ good Governance</p>	<ul style="list-style-type: none"> • The organization has the power disseminated at various levels which ensures democracy.
<p>Student feedback mechanism on Institutional Governance/ faculty Performance</p>	<ul style="list-style-type: none"> • A Class committee is constituted with a faculty member as a chairperson who is not handling the particular class. The Principal is also a part of the class committee. The chairperson is given the responsibility of coordinating the meeting and ensuring that the students provide free and fair feedback. • A proforma consisting of important parameters pertaining to teaching learning process has been designed for the purpose of collecting students' feedback. • The responses after the Electronic Data Processing are analyzed by the HODs and the Principal. The feedback is communicated to the faculty members concerned wherever necessary, for their improvement. • Students' feedback on value added programme conducted (for example guest lectures, seminars, employability camp, etc.) is obtained at the end of the programme by

	<p>distributing questionnaire on the event.</p> <ul style="list-style-type: none"> The inputs are communicated to the faculty members through HOD by the Principal for suitable improvements. The inference is discussed with the faculty members during the annual faculty appraisal.

Extra Curricular Activities						
Cultural activities			:	<p>The fine arts club is conducting functions in the college.</p> <p>Regular competitions for cultural activities like dance, skit, mime, singing, quiz, adzap, painting, photography and others are conducted. Students are encouraged to take part in intercollegiate cultural festivals and TV programs.</p>		
Sports activities			:	<p>The department of Physical Educations encourages regular practice of sports activities. Separate bus facilities are provided for day scholars for after college hours practice sessions. Our college has been achieving accolades in Anna University Zone I sports meeting, by holding the number one position for more than seven times.</p> <p>The regular sports features include annual sports meet, Velammal Trophy apart from enabling students to participate in intercollegiate and invitation tournaments. Our institution has hosted TIES in the academic year 2002-2003.</p>		
Literary activities			:	<p>Literary Club is functioning in the college. Competitions like elocution, debate, etc., are conducted regularly. Students are motivated to participate in literary activities held in other colleges and media. The students are encouraged to study different languages through the foreign languages club.</p>		
Magazine/ Newsletter			:	<p>Annual College magazine is released. Half yearly newsletter Apart from this, a few department release their departmental newsletter to highlight their activities and achievement.</p>		

	Technical activities/ TechFest	: Technical clubs exists in each department. Intra departmental/ interdepartmental paper presentations,quiz, project competitions are held. Students are motivated to participate in Conferences, Symposium, Workshops and others held by other institutions and organizations.
	Industrial Visits/ Tours	: A Minimum of 2 Industrial Visits/ Semester/ Class have been arranged for industrial exposure to the students.
	Alumni activities	: The Alumni Association/Chapters (registered and functional)contributes significantly to the development of the institution through financial and non financial means during the last fiveyears The Alumni Association was formed. The Alumni forms the major strength of the institution. The alumni meet is conducted once in a year, where the alumni from different branches of the under graduate and post graduate programs will join and share their views and give suggestions for betterment. This will be hosted by the management generously. The Alumni will be provided with mementos. This meeting will be mutually beneficial for the institution and as well as for the alumni to get an opportunity to meet with their friends and the faculty to share knowledge and insights. The alumni visit the institution for providing Guest lectures and seminars for the students in their areas of expertise and motivate the young minds. The successful entrepreneurs from our alumni are invited to talk on their success stories and motivate on students. The alumni help the final year students of the various streams of engineering, business administration and computer applications to get their project placements and summer internship in their companies or to assist them through their reference. They also assist the students to get placement in the corporate. The alumni association and the regular meetings pave the way for the successful placements of the students. The institution signs Memorandum of Understanding with organizations that are owned by the alumni and have frequent interactions with the corporate world. This helps us in keeping in touch with the current affairs in the corporate scenario.

Counseling Mentoring			
		Faculty member act as counselors / mentors to small groups of students to guide them in their curricular/co- curricular activities and in their personal advancement as well. Students are motivated to opt for higher studies and take up competitive exams like GRE, GATE, IAS exams. Special coaching classes for the above exams are conducted in the campus for the interested and eligible students by the training and development cell of the institution. Special seminars and workshops are conducted for career counseling.

Teaching Learning Process			
15	Curricula and syllabus for each of the Programmes as approved by the University	:	Our Institution is affiliated to Anna University, Chennai, Tamil Nadu. The curriculum of UG & PG programmes prescribed by the Anna University comprises of Humanities and Social Science Courses, Basic Science Courses, Engineering Science Courses, Program Core Courses, Program Elective Courses, Open Elective and Mandatory courses.
	Academic Calendar of the University	:	Every semester Anna University prescribes the academic calendar for all affiliated institutions. Based on this academic calendar the institution prepares the academic calendar and schedule of activities throughout the semester and better align with the University schedule. The well-prepared academic calendar circulated to all faculty members, non-teaching staffs and students during the beginning of the semester.
	Academic Time Table with the name of the Faculty members handling the Course	:	In the time table, each day is allotted with four periods of fifty minutes in the morning session and four periods of forty five minutes each in the afternoon session. Along with the regular lecture hours, additional hours are allotted for tutorial, training and placement and library to enhance self-learning performance.
	Internal Continuous Evaluation System and place	:	<ul style="list-style-type: none"> ● In each semester, as specified in course delivery plan, two Unit tests, two cycle tests and a model examination are scheduled. ● Table shows the details of various direct assessment tools and it's portions.
